FINDINGS OF FACT:

- 1. Affiliated FM Insurance Company ("Affiliated") is authorized to transact insurance business in Washington state.
- 2. Affiliated began writing homeowners' insurance in this state on March 18, 1987. This coverage was available only to the insurer's own employees. In February of 1992, Affiliated filed rates and forms for this coverage with the Office of the Insurance Commissioner (OIC). The OIC disapproved those filings. In October of 1992, the OIC closed those filings, because of the insurer's lack of response to those disapprovals. According to Affiliated, it had not responded because it did not plan to write any more policies. However, apparently due to a failure of internal communications and not due to any intent to deceive the OIC, Affiliated did write policies of some additional employees later.
- 3. Since 1987, Affiliated has written 42 new and renewal policies in this program, for a total written premium of \$20,343. In April of 2000, Affiliated submitted rate and form filings in which it acknowledged its previous failure to and obtain approval of rates and forms for the additional homeowners' policies described above. The filings submitted in April of 2000 were disapproved on May 24, 2000, but have subsequently been approved.

4. On May 24, 2000, the Senior Actuary at the OIC sent Affiliated an inquiry about this matter. The insurer's response was prompt and candid.

CONCLUSIONS OF LAW:

- 1. Affiliated sold 42 new or renewal policies consisting of forms and rates which were not only not approved, but which had been specifically disapproved. This represented 42 violations of RCW 48.18.100(1) and RCW 48.19.040, a total of 84 violations.
- 2. In partial mitigation of the violations, the Commissioner finds that they were not intentional. In addition, Affiliated has been candid and cooperative with the Commissioner's staff regarding this matter.
- 3. RCW 48.05.140(1) authorizes the Commissioner to suspend or revoke an insurer's certificate of authority if the insurer "Fails to comply with any provision of the code other than those for violation of which...suspension or revocation is mandatory, or which fails to comply with any proper order or regulation of the Commissioner". In addition, RCW 48.05.185 authorizes the Commissioner, after hearing or with the consent of the insurer, to levy a fine in an amount not less than two hundred fifty dollars and not more than ten thousand dollars per violation, in addition to or in lieu of suspension or revocation of the insurer's certificate of authority.
